People for Parks Membership

Join People for Parks!

As the demand on our parks continues to increase, your help is more important than ever!

People for Parks offers a great way for you to get involved at your own level of comfort, and to know that you are helping to improve the quality of life in our community for yourself, and your neighbors.

As a member of People for Parks, you'll be kept up to date on issues and challenges facing park resouces in Wake County. Through a variety of volunteer opportunities you will not only have the chance to make a difference hands-on, you'll also find an easy way to meet folks who share your love for the outdoors. And you can be sure that your donation is working for the betterment of our parks.
